

# TOWN OF CLINTON, WISCONSIN

## ROAD REPAIR PLANS

### 2 YEAR PLAN

#### NOTE:

*This Plan is current as of the 4.5.2022 Town Board Road Inspection Tour.*

*The Plan is subject to change at any time that the Town Board deems it necessary or appropriate.*

*The Plan will be reviewed again by the Town Board in the Spring of 2023.*

- Clinton Ridge Road needs to be Seal Coated for about 3.0 miles.
- Norwegian Valley Road needs to be Seal Coated for about 1.4 miles.
- Woods Ridge Road needs to be Seal Coated for about 1.75 miles.
- Dell Road needs more Seal Coat patching where necessary.
- East Bloomingdale Road needs Seal Coat patching where necessary.
- Irish Ridge Road work will be continuing towards completion.
- A culvert needs replacement on TWP 24.
- The Evenstad Bridge replacement is being managed by State Certified Bridge Inspector, Phil Hewitt, Vernon County Road Commissioner.

**If you have any questions about the 2 YEAR PLAN, please contact Town Chairman, Corey Leis at 608-487-3524 or [cleisfarm@gmail.com](mailto:cleisfarm@gmail.com)**
